The society has opened its' membership to the general public; individuals, private bodies, registered chamas and groups. The vision of stima investment co-operative society is to be most trusted partner in innovative wealth creation.

Stima Investment is pleased to invite your organization to submit your company profile and atleast 3 (three) reference sites where similar work has been done before, for the upgrade of our current Enterprise Resource Planning (ERP) system from Microsoft Dynamics NAV 2016 to Dynamics 365 Business Central.

The purpose of this upgrade is to enhance business operations, improve data integration, and future-proof our ERP infrastructure.

Key Details:

- **Project Scope:** ERP system upgrade and data migration, including reimplementation of custom modules, user training, and post-go-live support.
- **Submission Deadline:** 6th June 2025
- **Contact Person for Clarification:** smatheka@stimainvestment.co.ke

Evaluation Criteria:

Proposals will be evaluated based on:

- Technical approach and understanding of requirements
- Relevant project experience and qualifications
- Financial competitiveness and transparency
- Delivery timeline and support plan

Please ensure all required documents outlined in the tender document are submitted with your proposal. Late submissions will not be considered.

We look forward to your participation.

N/B: Proposal to be sent to be sent to info@stimainvestment.co.ke or **hard copies** to be dropped at the reception desk in our offices on or before **6th June 2025 at 5pm**
